Trenholm,

The bank is paying this amount. The verbal contract between PSB and PMPED was done with the approval of the Chairman of the Board and the CEO. You are welcome to discuss terms, but it is not an option to not pay.

We agreed to this settlement amount, not because I was PR or Alex stole the money. It was done due to the fact that I converted these checks made to PSB. We were actually happy to settle for 680 versus the full amount.

Thanks,

Russell,

I will handle it. I will get in touch with Ronnie again to discuss this. Please refrain from dealing with Ronnie on this. I need to make sure that there is a clear understanding of the terms if the bank is willing to pay the amount. I will call him again later today or first thing in the morning.

Trenholm,

Please let me know when we decide to pay the check to the law firm. I would like to call them to do this sooner rather than later.
